OUR HISTORY

Backstreets Bar & Grill opened in 1996 in Hickory, NC with a simple goal - great food and great friends. Since then, we've grown into more than just a local spot. In 2019, we expanded to Columbia, SC, becoming part of the local USC community while staying true to what made us who we are. Thirty years later, with our Newton, NC location at The Corriher, we continue that tradition - serving up the same energy, flavor, and atmosphere people have come to expect. Wherever you find us, Backstreets is about great food, great company, and a place that feels like home.
